

GTA VI LAUNCH-DAY BUYER'S CHECKLIST

Release: **November 19, 2026** • Platforms: **PS5, Xbox Series X|S** (no PC version announced) • Verified from cybergrokr.com's pre-order guide.

1 — PICK YOUR EDITION

	Standard — \$79.99	Ultimate — \$99.99
Base game (PS5 / Xbox Series X S)	✓	✓
Pre-order bonuses Vintage Vice City Pack + 1 free GTA+ month	✓	✓
Ultimate bonus content pack per Rockstar's edition listing	—	✓
Physical copy available box w/ download code — no disc at launch	✓	— digital-only

Rule of thumb: **Standard \$79.99** unless you specifically want the Ultimate bonus content pack and are happy with digital-only. There is **no sell-out risk** on a GTA launch — this isn't pressure, it's planning.

2 — WHERE TO PRE-ORDER

Physical — Standard Edition (\$79.99): Amazon, Best Buy, Walmart, Target, GameStop. **Digital — both editions:** PlayStation Store (PS5), Xbox Store (Xbox Series X|S); the \$99.99 Ultimate is digital-only.

Two things most buyers miss:

- Major retailers typically **don't charge** until the game ships — pre-ordering early costs you nothing.
- The physical edition is a **download code in a box** — there is no disc at launch.

3 — CLAIM YOUR BONUSES BY NOVEMBER 19

Every pre-order includes the **Vintage Vice City Pack** — a '55 Vapid Stanier, the Shore Court Garage, retro Jason & Lucia outfits and hairstyles, a Tommy Vercetti-inspired weapon pattern — **plus one free month of GTA+**.

The catch: the bonuses must be **claimed by 23:59:59 on November 19, 2026**. Pre-order and forget, and they're gone.

■ *GTA+ auto-renews at the regular price after the free month unless you cancel — set a reminder.*

4 — THE LAUNCH-DAY CHECKLIST

Item	Done
Confirm your pre-order is still active Check the retailer order page or your console library — pre-orders began June 25, 2026; make sure yours is still listed.	■
Claim the Vintage Vice City Pack + GTA+ month In-game/account claim by 23:59:59 on November 19, 2026 — do this FIRST, before you play.	■
Clear 100GB+ on your console storage GTA VI is a current-gen-only, 2×-GTA-5-scale world. Free the space before midnight so you're not deleting games at launch.	■
Pre-download if offered Consoles usually offer pre-loading days ahead — grab it so launch night is play, not download.	■
Set your GTA+ cancellation reminder The free month auto-renews. Calendar alert for ~December 19 unless you want to keep it.	■
Watch for holiday bundles AFTER launch Prices are fixed at \$79.99/\$99.99 across retailers so far — bundles land after launch, not before. Don't wait on a pre-launch discount.	■
